ARTICLE I – CONDUCT RULES

Mission Statement

We the Board of the Murray Liberty League Baseball (MLLBB) believe that every youth that desires to play baseball should and will have the opportunity to play the game under the practices of Safe play, fair play, and sportsmanship. We believe these kids should want to learn the basic skills of the game while having a good time and enjoying the opportunity of being in the great outdoors. We also feel that kids will have an elevated experience when friends, parents, and family come to the ball park and enjoy the game with a positive and up lifting attitude, cheering not only for the child or team they are there to see, but all the kids. For the sake of all, especially the youth, we are asking any individual attending games of the MLLBB whether they are at our home field of Grant Park or at an away field to represent MLLBB and the teams of MLLBB in positive and uplifting cheers and praises through good conduct and sportsmanship.

In the spirit of America’s Favorite Pastime and good sportsmanship we are implementing;
Our Zero Tolerance Articles of Conduct.
